One of the things I like best, and my boyfriend, too, is to take a day and suck his cock all day. Now realistically people, I don't do it for 24 hours straight, or even eight hours straight, but I tell him that today, it's all about him and his big, beautiful, wonderful, utterly amazing perfect penis. What man doesn't want to hear that.

Forget the smarmy birthday and anniversary cards. Give a coupon for your mouth. Don't even think about making a special dinner. Tell him he's going to stay in bed, or in his favorite recliner, beautifully naked, and your

SCARLETT'S GUIDE TO: ALL DAY SUCKERS

going to have his cock while he's having dinner, and let him watch TV. This is especially effective during any major sporting event. Have his favorite dinner delivered, pizza, Chinese, burgers, or even moussaka. Bring him his favorite beer or wine and then let him get started. If he asks you to eat along, tell him you already have a sausage dinner in front of you. As soon as he takes that first bite. Start licking his cock and don't stop until he's finished dining.

SCARLETT'S GUIDE TO: ALL DAY SUCKERS

Let me be clear, this is not a lecture on giving a blow job. I'm going to assume you already know how to do that, and have been probably doing for a long time. But perhaps your technique or interest has gone a little stale. Why don't you start by licking and touching just the head. It feels different than the rest of his cock, to you and to him, too. You see that little slit at the tip? Try sticking your tongue into it. It will surely arouse him.

Change your position. When your in bed, get off your knees and your side. Lay on your back with your head hanging off the edge of the bed. Tell him to get on the floor and fuck your mouth. He'll love that because it's almost like fucking your pussy. But you gotta be aware that it's so easy for him to jam it in your throat, so expect some gagging unless you're a good deep throat.

Take it all the way in. Yes, I'm talking about deep throating. Believe it or not, it's not really the deep throating that's the turn on for him. It's the practice he gets to do in your mouth so you don't gag. Imagine, hours and hours of 'practice' of sucking his cock. No way he's going to say no!

Head down south from the shaft. By no means should you forget his balls, after all, they are attached right at the base. I actually like the size and feel of them in my mouth, and they're double the fun to play with.

SCARLETT'S GUIDE TO: ALL DAY SUCKERS

Have fun with it Don't make sex, and especially a blow job a serious thing with bland expressions. Sure, when you cum, you're face will contort and scream, but don't be quiet and expressionless the rest of the time. Remember most of the time you're felling him, he can see you. Don't be a Debbie Downer when your sucking.

Kissing and nipping. Use your teeth. Use your nails. Those 'sharp' edges can actually increase sensitivity and stimulation. Obviously you have to know his pain threshold, but I'm not talking about going that far. Just a few quick nips at the head or shaft. Close your lips tightly around the shaft and have fun.

Men are visual animals.. Yes, we've all heard that. And what is a more stimulating visual than a guy seeing his cock thrusting up through you fabulous boobs on it's way to your mouth ot tongue. Bend your head to meet it. Stick your tongue out as far as it will go. He wants to see you making that effort in addition to him thrusting

Invite a friend! You know this one. Again, what guy wdoesn't \ want to see you and another girl playing with and sucking on his cock. My god. I'm getting hot just writing this. But I'm changing the rules here. Get started by yourself. Have a friend join you afte a while. Cool surprise. Then have them leave. Your man will be so hyped and excited, you'll get the best fucking you ever had! ●

COLLEGE GIRLS ON THE LOOSE

Imagine eighteen and nineteen year old girls on the loose during their first couple years in college. Studying is not that important, after all, there are at least two more years to get that right. Then there are those who only see college as a stepping stone to wealth and fame. As well they should. The world is their oyster!

why ellen doesn't study

I'm in the third month of my sophomore year at LSU and last week I went home for the Thanksgiving holiday to find a letter from a Hollywood agent. She said that they were impressed with my audition tape and wanted me in L.A. in a week to audition for the director. I was so excited, I almost creamed my pants just reading the letter. Now that was a great birthday present for my 19th birthday. I had auditioned in New Orleans with some others but don't know if any of them got a call back.

Not knowing how long I would have to be out there, I decided to pack a couple suitcases in hope it will be for at least for a week or two. I'd hate to go home after only one day. Now I'm in a cab rushing to the airport but I have a fear of flying. I have to get on this flight or I'll lose the gig. Not only would this be a great part and maybe the beginning of something big, but I also need the money. Reluctantly I boarded the red eye flight to LAX. Fortunately the wait was short so I didn't have a chance to get too nervous, until I got on the airplane.

I had requested a window seat towards the back of the plane but don't know if that was going to be a good thing or not. I put my carry-on in the overhead compartment, my purse under my seat, and fastened the seat belt. I tried to calm myself by watching the people get on and stashed their bags in the overhead bins as I waited for the plane to take off. I thought I might have an empty seat next to me as most of the passengers had loaded, but a well-dressed college-age guy stopped at my row and put his bags up and away. He glanced over at me and holding out his stub, said "This must be my seat," and sat down in the empty aisle seat.

"Hi my name is Terry," he said, as he extended his hand to me. "You look familiar."

"Hi, I'm Tracie," I replied, looking at him closely. "Weren't you at an audition in the Crescent City Theater last week?" asked

"I was," he replied. "For the Los Angeles auditions," he said. "Now I remember you. You were in the morning group and was in the afternoon group." He went on. After some more

small talk about the audition, I heard the engines rev up for take-off and I told him about my fear of flying. He smiled warmly, and assured me I had nothing to worry about. Planes don't just fall out of the sky

As the flight took off, I leaned back, closed my eyes and clenched my teeth until we finally leveled off. That's when I realized I was squeezing Terry's hand very tightly. He was so comforting at a time like this and as the minutes passed, I felt like I had known him a long time. There was something special about Terry. I felt I could talk to him about anything. We practiced some of the script's lines and made each other laugh

In the middle of it all, I told him I had not flown very much, just two other times. I told him I had heard of the 'Mile High Club'. He said he had heard of it too. I asked if he was a member, but he shyly avoided the answer. Like a gentleman, he did not ask if I had joined it. Sitting next to the window, I started to get a chill and Terry retrieved a blanket from the compartment above us. He draped it over both of us, from the waist down. He had his arm on the armrest between our seats and I put mine on top of his. I slid my hand down to his wrist and began to clutch it hard as we hit some turbulence

After it had settled down I asked if I could lean rest my head on his shoulder. The cabin light went out and the crew and plane settled in for the long flight to L.A. My thoughts drifted off and

I started to get myself aroused. He put his hand over mine and gently stroked his fingers on the back of my wrist. I looked up at him and he leaned over and kissed me softly. It was warm and non-threatening. I responded by touching his thigh under the blanket and sliding it up to his crotch. He seemed a little surprised but then slid his right hand up under my top and found my already hard nipples. He gave me another warm kiss on my lips and slipped his tongue into my mouth. He whispered in my ear but I could not make out what he said. I was lost in the moment and in him.

From under the blanket he took my hand and placed it right on his cock. I didn't even notice that he had unzipped his pants under the blanket. I found and squeezed his cock firmly in my hand and gently began to stroke and fondle it's head with my fingertips. His fingers moved from my breasts and pulled back my skirt. I was so hot for this handsome stranger. I wanted to suck and fuck him right then and there.

His fingers slid my panties aside and ran his fingers through my trimmed bush and over my pussy lips. I pushed the armrest up and slid closer to him in my seat to take in his sexy cologne as he opened my labia and slid a finger inside. I pushed my hand past his cock shaft, found his balls and massaged them. I slid a little more forward in the seat, pulled my panties further open with my other hand as he slid his fingers in deeper and his knuckles brushed against my clit.

COLLEGE GIRLS ON THE LOOSE

He whispered that we were getting too demonstrative and wanted to fuck me. I was little surprised that he wanted to go further than we had gone, but when he pulled his fingers out of my pussy, he left me wanting more. I watched his hand come out from under the blanket and go right under his nose for a smell. He licked it lightly with his tongue and I almost came right there in my seat. I heard him zip up and before standing he leaned over and asked me to come into the rest room behind our seats in three minutes.

Strangely, I found myself giggling and began counting the seconds down. I laughed at myself, stopped counting at one minute, adjusted my clothes and got up and walked the few steps to the back of the plane. Fortunately only one rest room door said 'Occupied' as I quietly knocked and the door opened. He quickly pulled me inside and locked the door behind me. I immediately kissed him with a lust I had never felt. Our tongues did heated battle in the stall as we groped each other's privates through our clothes. He sat back on the toilet seat and told me to come closer and put one leg on the sink edge. I did and he ripped my soaked panties off me. He pulled my hips and closed in on my pussy. His hands rubbed my mound as his lips found my pussy lips and his tongue found my slit.

I braced myself with both arms on the walls as the plane began to bounce around, but that only added to our fervor. I felt him licking the wet juices from my pussy as he slid up and down my slit with his tongue. Terry made little slurping

noises as he dipped his tongue deep inside of me. I purred his head back and got him to stand, then we switched places. Terry stood in front of me and I pulled his pants and boxers down to his ankles and instantly slipped my lips down over the head of his cock. I sucked his cock and fondled his balls with one hand. I sucked feverishly because I knew our time was short and I wanted to taste his cum, but sucking his cock made me even hotter for it. He thrust it deep into my throat and I tried to take it all without gagging.

I stood up and turned to face the wall behind the toilet and propped my arms on it. I bent just a little pushing my butt back to him. He moved in and guided his cockhead to my shiny wet hole and I felt his cock enter me. His hot dick slipped with ease since I was so wet down there and I closed my eyes and suppressed a muffled scream as I felt him push deeper into me. I moved back and forth on his cock in harmony with his thrusts and the airplane's hum. I suppressed another scream as I came and a moment later Terry let out a grunt as he pulled out and let his juices spew into the sink. We cleaned ourselves off and pulled our clothes back on just as the announcement came that we had begun our descent into the Los Angeles airport.

We each did our audition and each got the parts we were up for. I stayed a few weeks filming my part. His went on for a couple more, but in between we saw each other. When he returned to The Big Easy, I picked him up at the airport and drove to my house.
